Want to improve your local health and social care services?

Apply to join HSE South West's Patient and Service User Partnership Council

Why get involved?

- Help shape the future of your local hospital and community healthcare services.
- Share your feedback on what works well and what could be improved.
- Join a motivated group committed to making positive change.

How to apply?

Online: hse.ie/patientcouncil

Email: partnership.southwest@hse.ie for a print application form

Phone: 087 451 7250

Other ways to get involved

- Patient and Service User Partnership Panel
- Patient and Service User Partnership Mailing List

Apply by 5pm Tuesday 26 May 2026

Who can apply?

- You live in Cork or Kerry.
- You are over 18 years old.
- You have experience of using health or social care services.
- You are a patient, service user, carer or work with a voluntary organisation providing health or social care.

You do not need any formal qualifications.

We encourage people from under-represented groups to apply.

What do I have to do?

- Join regular Council meetings to share your views.
- Commit 4-6 hours per month.
- This is a volunteer position, we will pay your expenses and support any access needs.

HSE South West,
Patient and Service-User Partnership Council
